The Orchards Purpose:
Love God, Love people, Make Disciples

Membership is Important!

Orchards Baptist Church receives members by:

- ~ Public profession of faith followed by believer's baptism.
- ~ Transfer of membership from another Baptist church.
- ~ Statement of faith in Christ, having already received New Testament baptism.

If you know Christ as your Savior and are wondering about baptism, the Pastor would be glad to visit with you.

The Gospel is the good news that the just, loving and gracious Creator of this vast universe has looked upon hopeless, sinful men and women (Rom. 3:23; Rom. 6:23) and sent His Son, Jesus Christ, God in the flesh, to bear His wrath against all our sin on the cross. (Rom. 5:8; John 14:6) He has shown His power over sin in the resurrection so that anyone who turns from their sin and themselves and trusts in Jesus as Savior and Lord will be reconciled to God forever. (John 1:12; Eph. 2:8-9)

Today we're going to Ecuador, South America, with missionary Steve Thompson to learn about ministry partnerships. In Ecuador you can see hell by looking up. That's because a giant, active volcano called Tungurahua (say tung-goo-GWAR-ah-wah) has been spitting out fire and lava since it erupted again in 2000. More than 500,000 people live in this mountainous province, and they need to hear the gospel. So Steve has set up a seminary to train the local people for ministry. Steve is a graduate of Southwestern Baptist Theological Seminary in Fort Worth, Texas, one of our six seminaries. Southwestern partnered with Steve to train 11 students in the Bible through online classes. These 11 will become the seminary teachers beside the volcano and will train many other students in the years ahead. We support this ministry by supporting Steve's education at Southwestern and now in training the students in Ecuador. And we're supporting Steve as he serves there - all through our Cooperative Program giving. Isn't that a wonderful collection of ministry partnerships? You might say people in central Ecuador have already gotten a glimpse of hell. We want them to be saved so they will be spared spending eternity in the real hell!

Pray for the persecuted church in Turkmenistan

Turkmenistan is extremely repressive for religious minorities. The police, secret services and local authorities monitor religious activities, raid nonregistered churches and attend church services. The Islamic culture makes life for converts to Christianity particularly difficult. The printing or importing of Christian materials is restricted. Given increased nationalism and the "spiritual guidance" of the dictatorial president, the pressure on Christians will likely remain at a high level.

- Turkmenistan is considered one of the most restrictive countries in the world. Pray for increased freedoms in the country.
- Pray for believers from a Muslim background who are fiercely pressured to return to Islam. Pray for protection and endurance.
- Pray for security forces, who are monitoring Christians, to encounter the gospel. Pray their hearts would be softened. (Copied from World Watch List)

Pastor Hale's message, "What it Means to Be Lost" is from Luke 16:19-31. Your next step: Help Christians have compassion for the lost!
